THANK YOU! Through your generosity and dedication, REVO experienced a number of incredible events in 2010. We moved to Winston-Salem, started building relationships, found a meeting place, had our first two preview services, and witnessed the beginning of the revolution of life change through Jesus. We are so thankful for the commitment that you have made to support REVO with both your prayers and your finances. It is so encouraging to know that people from all across the country are an

integral part of what is happening in Winston-Salem, NC. In 2010, we had over 650 donations from 232 donors. These donors represent 19 different states from California to Illinois to Massachusetts and came from individuals, families, businesses, and churches. Your support enabled the staff of REVO to dedicate more time and energy to getting REVO up and running. We have been able to minister to people and businesses in our community because of your gifts. As we prepared to mail the year-end giving statements, we read out the names of every donor and then prayed over the letters. It was and is our prayer that you would know how integral you are to REVO's ministry and that God would continue to bless you. Without your support it would be much more difficult for us to serve and minister in this city. We are incredibly humbled that God is allowing us to be part of His plan for Winston-Salem and we are so thankful for your financial support enabling us to be here.

Move Forward

REVO is always looking for a reason to celebrate, and the birth of our savior certainly qualifies. We threw a birthday party for Jesus on December 17th and had many people attend who have not yet been to a Preview Service. It was really encouraging to look around and see so many new people who were interested in REVO. Nathan gave a quick gospel presentation before we sang Happy Birthday to Jesus and cut the birthday cake. It is important to us that people know that REVO likes to have fun, but we did not just move to Winston-Salem to eat cake and hang out with friends. REVO Church exists to spark a revolution of life change through Jesus. We are here to tell people about Jesus and to help them begin and develop a relationship with Him. There are many things we can celebrate and many parties we can throw, but the thing that excites us the most is celebrating lives that are changed by Jesus.

Live Bold

On December 4th, the day before our second Preview Service, Winston-Salem experienced its first major winter storm of the year. As the snow fell and began to accumulate we e-mailed out this statement: "Weather will not stop the revolution of life change through Jesus. Even if it is snowing or sleeting, the Preview Service will go on!" When the launch team arrived Sunday morning at 7 am to load-in, the temperature was below freezing and there was snow on the ground. We had no idea if people would brave the weather and show up, but we knew we were going to have church! Fortunately, 120 people had the same idea! We were really encouraged to see so many people attend despite the inclement weather. For our Preview Service on January 23, we are hoping for good weather, but now know that the gospel will be proclaimed and heard even if we have a blizzard!
