

REVO in Review

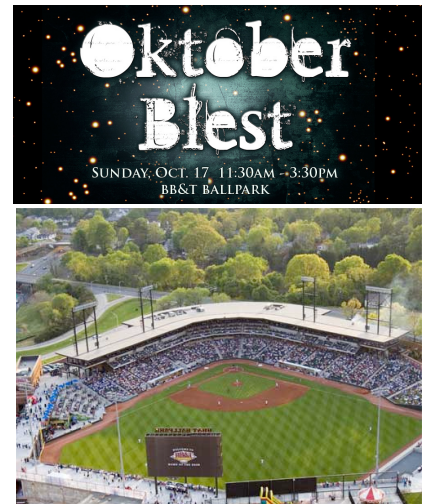

October 2010

Grow Deep

On September 27th, the REVO Team began a 40 day prayer journey. Each team member has committed to pray for an hour every day. The Bennetts and Smiths are opening their homes to the team every day for set times in the morning and evening so that people can pray together as a group if their schedules allow. We want to invite others who are partnering with us to join us in prayer. Our daily prayer guide is posted at www.discoverREVO.com/prayer. On that page you can also leave comments about what God teaches you through this experience and notes of encouragement to the team. Will you please commit to praying with us for an hour every day as we seek to draw closer to God and have our hearts completely broken for the people of Winston-Salem? We are excited and feel a sense of great anticipation as we gather together to seek the face of God for 40 days. We believe there is nothing better we can do during this season of REVO Church. So mark your calendars, make this time a priority and come ready to ask and expect great things from God.

Love Big

Winston-Salem is about to experience the first annual Oktoberblest! This event is taking place on October 17th at BB&T Ballpark, home of the Winston-Salem Dash. In partnership with a number of churches in the area, REVO is helping host this outreach event. Nathan is the featured speaker, and the REVO Worship Band will be leading music. A full schedule of events can be found online at <http://www.oktoberblest.com>. If you are in the area, we would love to have you join us at this event. We are incredibly excited about this opportunity and consider it an honor to have such a large role in Oktoberblest. Earlier in the summer, a few team members attended a Dash game and were imagining what it would be like for us to host an anniversary service at the ballpark. Now we've been given that opportunity and we still have yet to launch! God is so good, and we continue to be astonished by His provision.

Live Bold

As we continue to meet people in the city, we keep hearing questions such as: "What is REVO?" "Why Winston-Salem?" "What are you hoping to accomplish?" In order to best answer these questions, and to give people a chance to meet some of the team, we are hosting weekly vision meetings at Willow's Bistro in downtown Winston-Salem. We have developed a friendship with the restaurant owner, and he has graciously given us a key and allowed us to take over Willow's every Sunday afternoon at 4 PM. Through these meetings, we have been able to further develop relationships with individuals in the city and help them get connected to REVO.

Worship Loud

Hopefully you already have February 27, 2011 marked on your calendar as REVO's Launch Service. Before we launch though, we will be having two preview services this fall on November 7 and December 5. These services are designed to show people what worship at REVO Church will look like and to help build excitement for launch in February. Through our vision meetings and other activities in the city, we've met a number of people who want to get involved with REVO. The preview services will help them have a better idea of who we are and also give them a specific event where they can invite friends and family. If you will be in the area at the beginning of November or December, we would love to have you join us at a preview service!

Fall Fun

How Can You Help?

Prayer Requests

- Wang is returning to China on October 7th. We have given him a Chinese Bible and a English Bible so that he can continue to read about Jesus once he is back home. He has been joining the team at Nathan and Elizabeth's house on Sundays for worship. Pray that he comes to know Jesus personally.
- We are still searching for a meeting location. The Downtown Middle School is supposed to give us a definite answer by October 1st. Pray that God will show us where we should gather for worship.
- Oktoberblest planning and preparation. With attendance estimates ranging from 200 to 2000, there are many details that need to get nailed down in the next couple of weeks.
- Remember to join us for 40 Days of Prayer. On Mondays, pray that God would use us in amazing ways and that thousands of lives would be changed in the city of Winston-Salem. On Tuesdays, pray specifically for a group of our team members. Every Wednesday, spend time in confession and repentance so that our lives will be clean in the presence of God. On Thursdays, pray that God would give us opportunities to live out our core values in our daily lives. Each Friday, pray for the lost people of Winston-Salem, that God would soften their hearts to the Gospel message. On Saturdays, that God would give his people great boldness to proclaim the Gospel. Finally, on Sundays, pray for the preview services we are having on November 7th and December 5th.

Giving

There are two ways to contribute to REVO Church.

Mail checks to:

REVO Church

P.O. Box 20697

Winston-Salem, NC 27120

Safe online giving is available through our website by clicking on the "Easy Tithe" button located on the link below.
